Archangel Michael and Archeia Faith of the first Divine Ray of Heaven represent the Divine Will and Truth of Mother-Father God. Michael is the Director of the entire Angelic Kingdom and has legions upon legions of angels standing by ready to respond to our calls. As angels of deliverance, Michael and Archeia Faith's consciousness embodies the all-powerful Blue Flame to the Earth with focus to release Earth from all destructive forces including the alter ego and human held illusions of duality. When you call upon Michael and his sword of the Blue Flames into a situation of negativity, nothing can stand against it. We may ask for the Cloak of Invisibility, invincibility and the mighty blue armor as a shield of daily protection in our lives. We may stand with them to send forth into the world the protection and justice needed to fulfill the Father's Divine Plan.

Michael is the Prince of the Angels, Prince of Light, Regent Prince of the Seraphim, Regent Prince of the Virtues, an Angel of Deliverance and a Prince of the Divine Presence. Their name is in the form of a rhetorical question, meaning "Who is like God?" He/She leads the Angels of Light and the Legions of Sword Bearers (the Bearers of the Blue Flame) in the constant battle against the angels of darkness and all negativity. They sit on the Sirian Council of the Galactic Federation of Light with Gabriel and Metatron and work closely with the Lords of Time. He/She heads the Council of Love at the highest reaches of Heaven and yet is omnipresent for any being in God's Universe.
