

ASCENSION CALL TO THE BLUE FLAME OF THE DIVINE DIRECTOR

©January 2011 - AliceAnn Melchizedek

Beloved Mighty I-AM Presence; Beloved Mother-Father God Most High; Beloved Archangels and Mighty Elohim; Beloved Co-Creator Gods and Paradise Sons; Beloved Divine Director Cosmic Lord of Light; and all the Beings from On High that I personally acknowledge.

I call upon the Beloved Divine Director to join me in this invocation of intention. O Great Lord of Light and Joy, come forth today and assist me with your Great Love and Understanding. I invoke your radiant Blue Light to shine upon me today, and ask that you direct my life towards my Highest Joy, to my Ascension.

I ask that you provide me with the means and activity that most directly leads me to the Flame of Freedom, the liberation of my Mighty I- AM Presence within and without, so that I may be a Living Flame of God; so that I may become my Christed OverSelf of the Light; so that I may rise into Eternal Joy with all my Brothers and Sisters in the Brotherhood of Light.

O Beloved Manu of the 7th Race to come, let me join you in the Love and Praise of the Father, the Everlasting Presence, so that I may give my service to God in life and so that I may find my path of joy! I do not tarry; I do not debate; I do not stray; I am true to my own ascension!

O Beloved Great Manu, please assist in the rapid deliverance of all humanity, that we may all know the Peace of God that passeth all human understanding, and so that we may all shift into the 5th dimension or higher as our Soul/Monads indicate.

Further, I ask that the Freedom Flame be ignited now upon the Earth and that All nations live under its liberation, peace and happiness.

So mote it be! I-AM Light! I-Am Love! I-AM Eternal Joy!

I-AM All that I Am! Amen.

PRAYER TO THE DIVINE DIRECTOR

O beloved Cosmic Manu, Great Director of all our dreams and hopes. Guide me this day to my path; assist me to find the inward paths of joy and discipline that leads to my awakening.

Help me to find the courage, strength, and insight that sets my feet upon the path, and show me the doorways of liberation within, that I may find my pathway Home.

I know you are all-loving, and all-powerful, even as the Presence, and I ask that you ignite in me a flame of freedom that can never be extinguished. My hope. My Joy. My Eternal Love for the Father. All that I Am.

I not only ask this for me, but for all my family members and all of humanity, that we may all find our way back to God; that we may know in our hearts that “service” is the path of Light; and “love” is the true manifestation of the universe. I-AM All that I-AM! And so it is! And so it is! And so it is! Amen.
