I _____ invoke the Christ Light around me.

I stand in the Love and Power of my I Am Presence.

To the highest good of all priests, ministers, clergy, and spiritual leaders upon the Earth, and for the highest good of the people they serve,

I respectfully call forth the Divine Power of the seven rays of Light: their Archangels, mighty Elohim, and Ascended Masters, as a unified force of healing and empowerment:

I call forth the protection and strength of Archangel Mikael, the mighty Elohim Lord Hercules and Lady Amazonia, and Ascended Master Morya, who are protecting the spiritual leadership upon the earth from all vestiges of darkness that are blocking the spiritual evolution of the Earth.

I call forth the healing transmutation of Archangel Zadkiel, the mighty Elohim Lord Arcturus and Lady Victory, and Ascended Master St. Germaine, of the Violet Flame that is cleansing, clearing, and purifying all spiritual leadership upon the Earth at all dimensional levels, of all that is not of Love and Light in their service to The Father.

I call forth the Divine Flame of Healing of Archangels Gabriel and Raphael, the mighty Elohim Lord Cyclopea and Lady Virginia, and Ascended Master Hilarion, who are freeing and healing the spiritual leadership upon the Earth of all karmic entanglements, personal blocks, hindrances, and obstacles that prevent movement into a pure, expanded consciousness and loving service to The Father.

I call for the Love and Wisdom of Archangel Jophiel, the mighty Elohim Lord Apollo and Lady Lumina, and Ascended Master Lord Kuthumi, who are providing healing illumination to the spiritual leadership upon the Earth to correct the political, religious, and spiritual misuse of theology, tradition, and practice that is not in alignment with the Threefold Flame of Love, Empowerment, and Wisdom.

Please pause for 5 seconds.

For the empowerment and upliftment of all clergy and spiritual leadership upon the Earth:

I request that Archangel Uriel, the mighty Elohim Lord Helios and Lady Amazonia, and Ascended Master Sananda, activate the empowerment of the spiritual leadership upon the Earth to embrace The Father's Living Word and Ascension Plan for all of humanity.

I request that Archangel Chamuel, the mighty Elohim Lord Apollo and Lady Lumina, and Ascended Master Serapis Bey, activate the empowerment of the spiritual leadership upon the Earth to teach, witness, and express the Law of Unconditional Love, to honor the Truth and Wisdom of the cycles of reincarnation, and to exercise leadership that respectfully empowers each soul's evolution, choice, and pace.

I request that Archangel Zadkiel, the mighty Elohim Lord Arcturus and Lady Victoria, and Ascended Master Pallas Athena, activate the empowerment of the spiritual leadership upon the Earth to support all souls in One Unity Consciousness, into the Fifth Dimension, in fulfillment of The Father's Decree that all life upon the Earth live in His Love, Harmony, Abundance, Balance, and Freedom.

Beloved High Holy Ones, I stand in unison with the Light and Power of the seven rays as you activate this decree for the ongoing healing and illumination of all clergy and spiritual leadership upon the Earth.

Heal, Illuminate, Manifest!

Heal, Illuminate, Manifest!

Heal, Illuminate, Manifest!

It is done!

Amen, Amen, Amen, and Amen.
