

INVOCATION OF ILLUMINED TRUTH TO LADY QUAN YIN

©November 2010 - AliceAnn Melchizedek

Beloved Mother-Father One, Beloved Archangels and Guardian Angels in my Spiritual Company; Beloved Lord Christ, Lord Maitreya and all the Beloved Beings on High who are assisting in the upliftment of all life and our Beloved

Mother-Earth! I call in the 11th Ray of Illumined Truth under the guidance of Lady Quan Yin, the 7th Ray Elohim and the Brotherhood of Light. I call upon my Beloved Christ Self I-AM Presence.

I call upon the Great Mother-Goddess of Compassion and Mercy, Quan Yin and Her Illumined Truth Consciousness; and I call upon the trinity Goddesses of Harmony, Peace, and Purity for a dispensation of your Ascended Master gifts of Illumined Truth, Compassion, Peace, Purity and Harmony brought down through the radiance of your Sacred Fire Love, Mercy and Forgiveness; so that it may pass through my mind, so that it may pass through my body, and so that it may pass through my feelings.

I ask for the power and grace of this Divine radiance so that I may truly transcend all my earthly trials and tribulations; and so that I may join with the Company of Heaven in the New Age of Love and One-Unity Consciousness.

I now join with you, Beloved Quan Yin and the Trinity Goddesses of Harmony, Peace and Purity to hold the focus of your Divine Rays of mercy and compassion for the entire world; so that all nations may know Harmony, Peace and Purity; so that all people on this planet may know Harmony, Peace and Purity ; and so that all life on this earthplane may experience God's Love and Mercy through the radiance of Illumined Truth!

This I so decree – in the Name of the Holy Father, in the Name of the Holy Mother, in the Name of the Holy Son.

I am Light. I am Love. I am God in expression. I am the resurrection. And so it is! Amen.

PRAYER/GIFT FROM SAINT GERMAINE

From: Radiant Rose Academy

“Today I ask you to give Me a gift, to surrender all struggle that is yet registering in your feeling side of life, and to let Me take, through My Own Christ Flame of Love, Mercy and Forgiveness -- let Me take that struggle from your emotional body, so that you can feel the Twelve Attributes of Divine Love and use those Attributes to build a life.

Oh, my Dear Hearts, now, more than ever before, your outer life shall gain as great an importance as your spiritual life. You must now allow your outer lives to be fulfilled. Ye must hold a place within yourself where dreams are allowed to be fulfilled.”
