

## **INVOCATION OF JUSTICE TO LADY PORTIA SAINT GERMAINE**

©March 2011 - AliceAnn Melchizedek

I call upon my Mighty I-AM Presence, my higher Light of the Self, my Overself of the Christ, Mother-Father God and the entire Company of Heaven; I call upon all the Beings of Light from on High that I personally acknowledge and in particular the Teachers and Master Guides that are assisting me in my transformation in to Light; and I call upon Lady Portia, Goddess of Justice and Opportunity, Keeper of the Holy Heart Flame and scales of justice, to assist me in achieving my Divine balance in love and wisdom.

I ask Lady Portia to bring me clarity and understanding in the purposes, opportunities and wisdom of my path and specifically any and all issues of balance and justice that may still need resolution within me at a cellular level and in my affairs within the outer world.

I ask Lady Portia and her twin flame, Master Saint Germaine to direct their violet flame of transmutation to all those areas within my physical, emotional, mental, and spiritual bodies that need to be dissolved so that I may fully release and let go of any and all worries, issues of injustice, and missed opportunities so that I may truly become my master being of Light, so that I may live free and in complete harmony with all life.

I further ask that Lady Portia and Saint Germain and all the accompanying Angelic forces turn the violet Sacred Heart Flame of God's love and mercy upon all those areas in the world that still may need to be dissolved so that all fear may be eliminated, so that all peoples of the world may live free and in complete harmony one with another, and so that humanity may learn to truly serve in Divine Wisdom and Love.

And so it is! Amen!

## **PRAYER FOR JUSTICE**

Beloved Lady Portia, I call to you today to assist me in finding justice in my life. I call to you today to help me find that internal balance of justice within and for myself.

I especially call to you today and everyday for the activation of justice within the world and most especially for the judicial branch of the US government, that people may find true and benevolent justice and that all crimes and misqualified energies of the human collective may be corrected and brought to God's Light.

I ask that you with Saint Germaine send the power and presence of the Violet Flame throughout the entire world to cleanse, clear, and purify the systems of justice everywhere and at once.

This I do so request from my heart of hearts, in the Holy Father-Mother's Name.

Amen, Amen, Amen, and Amen!
