

## **INVOCATION OF PEACE TO LORD PEACE & LADY ALOHA**

©November 2010 - AliceAnn Melchizedek

I call upon my Mighty I-AM Presence, my higher Light of the Self, my Overself of the Christ, Mother- Father God and the entire Company of Heaven.

I call upon all the Beings of Light from on High that I personally acknowledge and in particular the Teachers and Master Guides that are assisting me in my transformation in to Light.

I now call forth the Lord of Peace and the feminine aspect of Peace, Lady Aloha; and I ask this Mighty Elohim to shine forth his/her light upon me to bring their radiance of Peace into my life and through me into the world.

I now visualize the powerful golden flame of Peace overlighting the planet, surrounding the planet, especially directing this golden Light energy of transformation to [names of places you wish peace here].

O Beloved Elohim, I acknowledge the Love and Power of your Heavenly Flame, and I give you my Love and place my trust in your Heavenly Presence. O Beloved Elohim, God and Goddess of Peace, shine forth your radiance now, bring forth your light of peace, so that I may become an instrument of Divine Peace; so that the world may find peace and harmony through wisdom and knowledge; so that peace and equanimity may rain upon the earth.

This I decree with the power and presence of my Mighty I-AM Presence and with the Divine Presence of the Realm of Light known as the Elohim!

So mote it be! Amen.

## **PRAYER OF PEACE**

Beloved Lord Peace, I ask you to overlight me as I call to Saint Frances to make me an instrument of God's Peace. Let me come to know the true meaning and value of God's Peace in my life and in my world.

Let my Mighty I-AM Presence shower me with its Peace that I may know my God and my Source of Being; let my soul magnify the Lord Most High and let Thy veil of Peace reign over me now and forever.

This I humbly ask in the Name of the Blessed Trinity Most High. Amen.
