

INVOCATION OF CHRIST CONSCIOUSNESS LOVE TRUTH & PEACE TO LORD SANANDA

©March 2011 - AliceAnn Melchizedek

Beloved Mighty I-AM Presence; Beloved Mother-Father God; Beloved Archangels and Mighty Elohim; and all the Beings from on High that I personally acknowledge. Beloved Lord Christ, Beloved Lord Maitreya, Beloved Lord Kuthumi, and Beloved Lord Sananda, he who was Master Jesus.

I ask you to come and guide me through the paths of inner awareness and the paths of peace and truth, that I may truly know my Divine Self, that which I-AM and have forever been. Beloved Sananda*.

I ask you to overlight me and be my Teacher and guide, so that I may learn love in its full measure and so that I may strengthen the qualities of Devotion, idealism, reverence, tenderness, intuition and loyalty in my journey of Becoming; and so that I may acquire full Christ Consciousness.

Beloved Sananda I ask that you shine your radiance upon the world of men so that we may all come to seek and find the Truth of God and the many splendors of His Many Mansions.

Beloved Ascended Masters, I ask that all the Teachers come to the Earth now in this new year of 2017, so that humanity may sit at your feet to learn the paths of righteousness, truth, and the Higher life.

In God I trust, for the Mother-Father knows my heart, and I know that you are a loving and perfect guide for me and for all my brothers and sisters of Light.

Beloved Jesus, Lord Sananda, come and teach me the inward paths of true knowing.

And so it is! And so it is! And so it is! Amen.

*Alternatively: Beloved Master Jesus or Master Yeshua.

PRAYER TO LORD SANANDA

Beloved Lord Sananda, I know that you are but a call away. I call to you today to comfort me, bringing forth Your Brilliant Indigo Flame of understanding and clarity; to bring to me the Radiance of your Strength and Love.

I call to you today to bring Joy and Peace into my life and to show me those paths of discipline that lead to my resurrection, my Return to God as the Being of Light that I-AM.

I call to you today to gift me with the gifts of lightness of heart, the gifts of laughter and Joy, the gifts of true and loving friendships, and the gifts of strength of purpose and the discipline of my inward path.

Today, O Beloved Master of Light and Love, I ask you to help me realize my true Self as I truly am in the Eternal wholeness of my being!

I am Whole and complete; I am Love and joy; I am perfect in All That I-AM!

And so it is! Amen.
