

## **THE CALLING DOWN OF THE SACRED FIRE OF HEAVEN**

©2010 AliceAnn Melchizedek

Beloved Mighty I-AM Presence of my Divine Christed Self; Beloved Mother-Father God; Beloved Archangels and Mighty Elohim; and all the Beings from on High that I personally acknowledge.

I call to the Great Cosmic Angel of Unity.

I call to Archangel Michael and all his attending angels.

I call to all the Lords of Heaven that are assisting all Life upon this Planet to the Higher Realms of God's Light and Love, to join me in this invocation of intention.

I call forth the Sacred Fires of Heaven in all their manifestation to come down through my crown chakra and fill me with their radiant powers, to bring forth their healing, transforming attributes, and to assist me to realize my true I-AM that I-AM.

I call down the Radiant Golden Fire of Father-God to fill me with His Will and Power.

I call down the Radiant Pink Fire of Mother-God to fill me with her Love and Wisdom.

I call forth the Radiant White Fire of the Christed One to illumine my seven chakras and bring me to Christ Consciousness.

I call forth the golden-White radiance of the Immaculate Heart, directed by Gabriel and Mother Mary, to fill my Heart Chakra with the loving Presence.

I now call forth the Cosmic Blue-White Fire of Michael, his Cosmic Christ Blue Lightning of Indestructible Purity and Power, to guide me in the upwards path of peace, truth and righteousness.

And, I call forth, under the guidance of Tzadkiel and Saint Germaine, the Cosmic Violet Flame of Transformation, the cosmic Action of the Cosmic Christ Consciousness, God's Love and Mercy to come down and sweep through all my energetic fields, four-body system, and dimensional selves, so that I may be purified of all lower vibrations, unwanted attachments and anything and all that is not of Love and Light.

I also ask this, not only for myself, but for my family members, my friends and neighbors, my fellowmen throughout this beloved planet, and all life within the four-Kingdoms of the Earth.

And so it is! And so it is! And so it is! Amen.

### **PRAYER/MANTRA FOR THE WORLD**

"O Gautama Buddha standing now in the Heart of the Flame at Shamballa, send forth the Arc of Our Love and let It traverse the earth! Let It pass through the center of the earth; and let this Light coalesce as a Mighty Chain of Fiery Love that shall bind mankind not to hatred, not to fear, but to Divine Love in all peoples, all nations, all governments, and all human relationships.
